# The A to Z of PnP

# The A to Z of PnP

## About this resource

This resource is your cheat sheet for terms and words associated with the PnP scene in Ontario.

The terms span both drugs and sexual slang, along with any appropriate abbreviations used online, or related terms.

Not all terms are used universally, so look out for regional differences (e.g., meth is call JIB or ISH in Manitoba, but T and Tina in Souther Ontario).

## What can you use this resource for?

"Mirroring the language used in community is a great way to relate to guys who PnP. When we use professional jargon, we risk of being seen as unapproachable, stigmatizing and unfriendly. This resource will help with your face-to-face conversations, online outreach, and other engagements with guys who party."

# The A to Z of PnP
